

Puppy Application

Help us get to know you!!

We Do Not Ship @ This Time

But would be happy to meet you at the Kansas City Airport (MCI) if you would like to fly in and pick up your new puppy.

Under no circumstances can a puppy leave my care before 8 weeks of age.

The puppy will also need to be a minimum of 3 pounds before leaving.

Occasionally, a pup will remain in my care longer if they require more time to be eating properly or just simply mature a little more. We want to give them the best possible start in life.
